Subject: **405 Widening Project (12-0H100) Amendment to Environmental Commitment Record and Errata for NES:**

- Language has been included within the Final Environmental Document that includes a new Bio Measure, BIO – 4.
- **Bio Measure – 4** Although no special status plant species were observed during preliminary surveys, pre-construction special status plant surveys will be conducted prior to any ground disturbing activities.
- This measure has been incorporated to include pre-construction presence/absence surveys for special-status plant species that may occur within the project area.
- **ECR Bio – 10** Added language: “During design phase, the landscape pallet will be sent and reviewed by the Caltrans biologist.” To ensure review of the planting list during design.

Please feel free to contact Chris Waterston at 949-724-2850, if you have any questions.
